Date: _____

Place: _____ **Signature**

(Name)

Invitation for EXPRESSION OF INTEREST (EOI) for Standardizing rates of Micro-irrigation System

A) General :

1) The Commissioner Agriculture, Pune is the implementing agency for Micro Irrigation Scheme in the entire State of Maharashtra. Average area covered under Micro Irrigation will be about 2 lakh ha. per year including both drip and sprinkler system.

2) The intended MI Manufacturers are required to provide and install Micro Irrigation System i.e. Drip and Sprinkler in the farmers' field as per the NMMI Guidelines issued during November 2010(National Mission on Micro Irrigation Operational Guidelines-2010 Government of India –page 1to76).It is available on web site ***http://*****www.ncpahindia.com**

3) The drip or sprinkler set will be purchased by farmer and not by Government.

4) Financial assistance @ 50 & 60% of the cost norm for installation of Drip & Sprinkler Irrigation systems will be available to the farmers and remaining amount will be borne by the farmer.

5) Manufactures should give component wise rate as per Annexure –I, which should be in Indian rupees excluding VAT, Local taxes etc. They should submit hard & soft copy in CD / Pen drive along with tender.

6) The MI manufacturer should give per unit cost of drip system for various closed and wide spaced crops as per Annexure – II and their abstract in Annexure – III. (Manufacturer need to quote the rates separately for 12 mm, 16 mm laterals, & abstract should be given in Annexure – III.)

7) MI manufacture should give cost of 50 ha. manual drip system, semi automatic system and fully automatic system as per Annexure – IV.

8) The MI manufacturers will be shortlisted on the basis of manufacturers profile, eligibility criteria and subject to physical verification of their assets by technical team. The rates quoted by the shortlisted manufacturers will be considered for

standardization of rates of various components and per unit system cost of micro irrigation systems.

The rates as above standardized for manual, semi-automatic and fully automatic system will be used as Maximum Retail Price (M.R.P) and it shall be binding on the part of manufacturer to supply and install the MI system in the beneficiaries' field. Rates will also be standardized for various components so that these rates will be used for extra components required for system as per field situation.

9) The rates / system cost finalized may remain in force for one year and subsequently rates may be revised as and when required.

10) Subsidy amount will be decided as per GOI guideline and also as decided by GOM. Micro Irrigation Components can be used as per field situation for proper design of system. However, the components which are mentioned in GOI guideline will be considered for subsidy.

B) <u>Eligibility Criteria</u>

1) **Experience:** Manufactures should have at least five years experience of supply and installation of Micro Irrigation System.
2) **Manufacturing Facilities:** In Case of Drip Irrigation**,** the company must manufacture at least lateral and emitting devices as specified confirming to BIS / Equivalent Standards. In case of Sprinkler Irrigation Company should manufacture at least HDPE / PVC pipes/ Nozzles & other required equipment as per BIS Specification. Latest copies of license should be submitted from the regulatory authority of respective country.
3) **Financial Capabilities:** The intended MI manufacturer must have annual turnover of Rs 10 Crore for last three years. The intended MI manufacturers should submit their balance sheets duly certified by chartered accountant for last three years. (2010, 2011 and 2012).
4) The intended MI Manufacturer who fulfills above qualifying criteria will only be shortlisted for standardization of rates. The decision of Commissioner Agriculture, Pune will be final and binding on all the participants.

C) <u>Guidelines:</u>

1) In case the company intends to supply imported components they should have prior approval of Department of Agriculture and Co-operation (DAC) subject to indigenize the

manufacturing of the components within the period of two years. In case of imported equipment, the required acceptance will be provided by National Committee on Plasticulture Application in Horticulture (NCPAH) after proper examination and verification and submission of report to DAC for approval.

2) MI manufacturers must enclose a covering letter on his own Letter Head.

3) The EOIs must be sent in sealed cover within the stipulated time. The EOIs will be evaluated strictly as per laid down criteria. Therefore, before sending the EOI, the MI manufacturer must satisfy that they fulfill all the eligibility criteria. The related proof of experience (company incorporation certificate and income tax clearance certificates for last five years), details of office / manufacturing setup etc., as asked for, must be enclosed / detailed out for evaluating the EOIs.

4) The details must be furnished as per formats enclosed in this document and strictly as per serial order. The information intended to be supplied should be furnished in such a manner that the same satisfies the need/requirement of EOI and should be self-explanatory.

5) In case desired documents/proof is not enclosed, the EOI shall be rejected.

6) EOI must be delivered to the Commissioner Agriculture, Maharashtra State, Pune. On or **before 5th July 2012 up to 1.00 PM and will be opened on 5thJuly 2012 at 3.00PM** in the presence of tenderers or their representatives.

7) However, if the last date is declared as holiday, the next working day on which office is opened will be treated as the last date of receiving the EOIs. The EOIs should be physically received in this office. No plea made over phone/fax/E-mail to the effect that EOI is in transit and be accepted due to postal delay etc. shall be entertained EOIs received after the last date will not be opened & no further action will be taken on such EOIs.

8) Other details and clarifications can be seen / obtained from the Directorate of Horticulture on any working day between 10AM to 5 PM.

9) Suitable provisions for penalties and blacklisting of firms on failure on any of agreed clauses will be kept in the final agreement.

10) Applications must be submitted in sealed two envelopes separately indicating

a) Envelope-1, Technical details with eligibility criteria and manufacturing profile financial strength, and manufacturer certificate.

b. Envelope -2 financial details with rates as per Annexure – I with hard and soft copy in CD/Pen Drive. Annexure-II, III and IV.

c. Both the envelop should be packed in one envelop indicating

"**EXPRESSION OF INTEREST (EOI) for Standardizing rates of Micro-irrigation System** addressed to **The Director, Horticulture, Commissionerate of Agriculture, Government of Maharashtra, Shivaji nagar Pune – 411005.**
